Inflatable Restoration & Repair

Box 52

Buena Vista CO 81211

Dear Erik:

Thanks for taking care of the hole we had in the floor of our old Avon self-bailer at such short notice. Without your help the busiest weekend of the year would have been a disaster. I still can't believe you were able to fix the boat as fast as you did. When you told us to drop the boat off Wednesday and you would have it for us by Friday night I thought you were kidding. The old Avon holds air like a new boat thanks to Inflatable Restoration & Repair. It's nice to know there's a good, reliable raft repair shop in the Arkansas Valley so close to our office. Hopefully we won't need your services often but it's comforting to know you're there.

Thanks for saving the day

Johnny "Highside" Cantamessa
